Dear Ms. Fisher:

Information has been received in this office indicating that you may have violated the Nursing Practice Act of the State of Texas. We are initiating an investigation based on the alleged facts or conduct specified below:

On or about August 19, 2004, while employed with The University of Texas Medical Branch, Correctional Managed Care, Huntsville, Texas, and provided nursing care for an inmate who had placed a sheet around his neck:

1. You failed to accurately and completely assess the inmate when the inmate refused to be transferred to a psychiatric facility for immediate evaluation, as ordered. You instructed security staff to have the inmate sign a refusal of treatment.
2. You failed to notify the Mental Health Provider of the inmate's refusal to be transferred to a psychiatric facility for immediate evaluation, after the Mental Health Provider had given you orders to have the inmate evaluated at a psychiatric facility.
3. You failed to ensure the inmate received close supervision, after placing a sheet around his neck, once the inmate refused to be transferred to a psychiatric facility for immediate evaluation, as ordered. The inmate was not evaluated until the following day.

On or about August 27, 2004, the inmate was found dead in his cell from hanging.
